**La Habra High School
Football Boosters**

What is it? The Club is a Non-Profit Organization; created to support the school's Football program at all levels, with both financial and emotional support. The Club is recognized by La Habra High School, has a comprehensive budget and set of by-laws.

Who is it? The Club is comprised of volunteers, mostly the parents and other relatives of the players, but all are welcome. The officers of the Club are generally JV and Varsity parents. This in no way should inhibit any freshman parents that want to serve from doing so.

What does it do? Under the leadership of the Executive Board, the Club meets, plans and conducts activities that will support the football teams. Major annual activities of the Club include operating the snack shack during games (gate receipts go to ASB), a Youth Summer Football Camp, selling Christmas trees during December, sponsoring a golf tournament, and many other fundraising activities.

Doesn't the school provide everything to operate the program? Unfortunately, no. The District provides about \$3,000.00 for supplies, (replacement helmets and shoulder pads), plus some of the stipends for the coaches. As with most California school districts, there is not enough funding for extracurricular activities (or for academics either!). The Booster Club buys uniforms, tape, footballs, and major equipment items (tackling dummies, weight sets, etc.)

Besides buying football equipment & supplies, what else does the club provide?

Among its many activities, the Club sponsors team meals for the Varsity team each week of the season, film team breakfasts, and power aide for all teams, parent appreciation night, subsidizes 50% of the cost of summer training camp, provides funding and volunteers for the various banquets at season's end, anonymously covers the financial needs of some players, provides the film crew and other support staff to set-up the fields and assist the coaches.

When does the Club meet? We meet the first Tuesday of each month, 7:00 PM in the campus library. During football season, there is a general meeting every Tuesday night before the Friday night **home** game same location and time. The meeting is informative and includes the ever-popular Coach's Corner with commentary by Coach Mazzotta.

Should I participate? YES! YES! YES! If you have a student in the program, or like to volunteer where needed, **we need you!** And, it is very desirable that parents become active in the Club. Within a few short years, all experienced parents rotate out of the Club. For the Club to survive and continue to support the program new participants are needed. Although we do have lots of fun ultimately, **we are here for the kids.**

Thank you for supporting the La Habra High School Football Program!
