We need your support! The district only supplies about 10% of the funds to run our football program. It is up to the football boosters to raise the remaining 90%. You can support the football program by purchasing an ad for our game program. Purchased ads will be included in all home game programs. Ads are available for band members, cheerleaders and football players in all levels.

**Sponsor to furnish camera-ready artwork.** There will be an additional fee if artwork is not camera-ready. *Important!* We must receive your artwork and application by August 13th, 2010 for print in our first home game program.
